[If separating your in-person and virtual components, fill out one public notice per event.]

Meeting Title: (Study Name) PD&E Study Public Hearing, FPID (Number)

Purpose:

The Florida Department of Transportation (FDOT) invites you to a public hearing for the (study name) Project Development & Environment (PD&E) Study from (project limit) to (project limit) in (location).

Participate in the hearing:

In-Person

Day, Date

Location

Address

Anytime between 5 – 6 p.m. Open House

6 p.m. Formal presentation and testimony begins.

This will include (description of format).

Virtually

Day, Date

Register in advance: (Registration Link)

6 p.m. Formal presentation and comment

This will include (description of format).

This hearing is being conducted to present the preferred alternative and analysis completed to date, as well as to give interested persons an opportunity to express their views concerning the proposed improvements during a 45-day comment period.

The environmental document, along with other relevant documents, will be available for public viewing from (date: 21 days prior to the first hearing event) to (date: 45 days after Notice of Availability publish date in the Federal Register), (year), at (location), (address) and at the FDOT District Office located at (address). They will also be available on the project webpage.

If you are unable to attend the hearing, comments can be provided by (date) through the project webpage, or by email or mail to the project manager to be included in the formal hearing record.
