Public Hearing
Study Name PD&E Study from (project limit) to (project limit) in (location)

FPID No: (number)

The Florida Department of Transportation (FDOT) invites you to a public hearing for the (study name) Project Development and Environment (PD&E) Study (FPID number).

This hearing is held (to present the preferred alternative and analysis completed to date, as well as to give interested persons an opportunity to express their views concerning the proposed improvements.)

Project documents will be available for public viewing from (date) to (date), (year), at (location), (address) and at (FDOT District Office address). They will also be available on the project webpage.

If you are unable to attend the hearing, comments can also be provided through the project webpage (project webpage URL) or by email (project manager email) or mail (FDOT District number, Attn: project manager name, project manager mailing address). While comments about the project are accepted at any time, they must be received or postmarked by (date: comment period end date), to be included in the formal hearing record.
