

LAP Community of Practice Quarterly Meeting

March 31, 2022

1:00 pm to 5:00 pm

FDOT Turnpike Enterprise Headquarters in the Turkey Lake Service Plaza
Building 5315 - Auditorium B, Milepost 263 Florida's Turnpike
Ocoee, FL 34761

Welcome & Introductions – Lorraine Moyle

- The Director of St. Lucie County Public Works, Don West retired. FACERS filled Don's spot on the LAP CoP with Deborah Snyder the Director of Public Works for Sumter County.

Low-Cost Safety Countermeasures – Gevin McDaniel/Lorraine Moyle

- The Department now requires upgraded pavement markings and audible and vibratory treatments on flush shoulder rural roadway projects with posted speeds of 50mph or greater in the SCOP, SCRAP, and SCOP-Municipalities program for the current application cycle (funding years would be 2024 and beyond).
- Florida Greenbook changes are on hold pending comments from FACERs to the Office of Design.

Safety Office – Brenda Young/John Goodknight

- B/C criteria for Safety funds' to 'Highway Safety Improvement Program (HSIP) Funding Process, Criteria, and Eligibility'?

Approved Product List (APL) Product Deficiency – Lorraine Moyle

- Deficient Product:
 - LED Luminaire (Conventional) from American Electric Autobaun (LED Cobrahead) models ATBO, ATB2, ATBM & ATBL APL #715-005-001
- How are locals inventorying and identifying locations where these defective lights are currently installed?

Bundling – John Goodknight

- Discuss the possibility of developing a pavement marking (with Audible/Vibratory component) project in Columbia and Union Counties (and possibly others).

General Discussion

Discuss Next Meeting Date –

Quarterly virtual meeting- July 2022

Biannual Face to Face Meeting- September/October 2022
