

FLORIDA DEPARTMENT OF TRANSPORTATION INVITES YOU TO AN ALTERNATIVES PUBLIC WORKSHOP

PROJECT DEVELOPMENT AND ENVIRONMENT (PD&E) STUDY

SR 9/I-95 from Miami-Dade/Broward County Line to north of Griffin Road

Broward County, Florida

Financial Management Number: 439170-1-22-02

Efficient Transportation Decision Making (ETDM) Number: 14500

Federal ID Number: D421-105-B

The Florida Department of Transportation (FDOT) will conduct a Virtual and In-Person Alternatives Public Workshop regarding the above referenced project. The Virtual will be held on **Wednesday, October 29, 2025**, and In-Person on **Thursday, November 6, 2025**. The Alternatives Public Workshop will begin at **5:30 p.m.** in an open house format. The same information will be presented at both the Virtual and In-Person Alternatives Public Workshop, so attending both is not necessary. Questions and comments during the Virtual Alternatives Public Workshop may be submitted at any time using the questions toolbar feature and during the comment period after the presentation. Persons wishing to submit written statements or any other information, in place of or in addition to oral statements may do so at both the Virtual and In-Person Alternatives Public Workshop or by emailing the FDOT Project Manager at the contact information at the end of this notice. Project information can be viewed on the project website: www.fdot.gov/projects/i95southbrowardpde.

PD&E STUDY PURPOSE

A PD&E Study is FDOT's process to evaluate the social, economic, and environmental impacts associated with a planned transportation improvement project. The purpose of the study is to improve traffic operations at the existing interchanges, cross streets, and managed lanes, address existing and future traffic demand, and enhance safety along I-95 from Miami-Dade/Broward County Line to north of Griffin Road in Broward County, Florida. The I-95 mainline and interchange alternatives being considered will enhance the community by accommodating planned development growth, improve safety by incorporating innovative designs and facilitating pedestrian and bicycle connectivity, and improve freight access between major hubs and the regional highway network. The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022, and executed by the Federal Highway Administration (FHWA) and FDOT.

PD&E STUDY SCHEDULE

PD&E Study Start: April 2023

PD&E Estimated Completion: December 2026

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodation under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge), should contact Leslie Wetherell, P.E., FDOT Project Manager, at (954) 777-4438, toll free (866) 336-8435, ext. 4438, or Leslie.Wetherell@dot.state.fl.us at least seven (7) days prior to the public meeting.
