Florida Scenic Highways

Our byway collection includes **26 state designated scenic highways**. Of these, five are further designated at a federal level as **National Scenic Byways**, and the **Florida Keys Scenic Highway** is the only byway in Florida designated as an **All American Road**. Participation in the grassroots Scenic Highways Program provides benefits to the affiliated region, including preservation, beautification, resource protection, and tourism.

Our Scenic Highways

The calendar displays the number of each byway on this map on the designation date, or "byway birthday." Refer back to this map for each byway location. You can find driving directions to byways and more at **floridascenichighways.com**.
