FDOT Appoints 26 to Florida Freight Advisory Committee

TALLAHASSEE, Fla. – The Florida Department of Transportation (FDOT) today announced the appointment of 26 members to the Florida Freight Advisory Committee (FLFAC). The FLFAC represents a cross-section of public and private sector freight stakeholders, including FDOT, representatives of ports, shippers, carriers, freight-related associations, the freight industry workforce, and local governments.

The FLFAC:

- Advises the department on freight-related priorities, issues, projects, and funding needs;
- Serves as a forum for discussion of state decisions affecting freight transportation;
- Communicates and coordinates regional priorities with other organizations;
- Promotes the sharing of information between the private and public sectors on freight issues; and
- Assists in updating the Statewide Freight Plan.

Name	Organization Represented
