FDOT Provides Update on I-10 Checkpoint at Florida/Alabama State Line

TALLAHASSEE, Fla. – In accordance with Phase 2 of Governor Ron DeSantis’ Safe. Smart. Step-by-Step. Plan for Florida’s Recovery, the Florida Department of Transportation (FDOT) has deactivated the checkpoint for screening travelers seeking to enter Florida on Interstate 10 at the Florida/Alabama state line.

Motorists are encouraged to drive cautiously and safely while crews are working to deactivate the checkpoint.

The Interstate 95 checkpoint at the Florida/Georgia state line remains active at this time. Future updates will be provided via FDOT’s social media platforms – Facebook: [@FLDOT](#), Twitter: [@MyFDOT](#) and Instagram: [@my_fdot](#).

Motorists seeking real-time traffic information should refer to fl511.com/.
