Nighttime lane restrictions planned
for the Pensacola Bay Bridge

Chipley, Fla. – Drivers will encounter nighttime lane restrictions on the Pensacola Bay Bridge Thursday evening, June 10 through Friday morning, June 18 from 8 p.m. to 5 a.m.

Construction crews will be performing repairs needed to restore four lanes of traffic for the entire bridge. Drivers should anticipate travel delays while the work is underway.

All activities are weather dependent and may be delayed or rescheduled in the event of inclement weather. Drivers are reminded to use caution, especially at night, when traveling through a work zone and to watch for construction workers and equipment entering and exiting the roadway.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
