Chapter 2 – Internet Subscriber Accounts (ISAs)	5

Chapter 1 – FDOT User Id Acccounts

https://mac.fdot.gov/

1. Navigate to MAC.

Materials Acceptance and Certification System

2. From the MAC home screen, select the Log In option.

This takes you to an FDOT User Sign-in Portal.

FD		Florida Departm	ent of	N			E-Updates Search FE	FL511 Mobile S	Site Map
			Home	About FDOT	Contact Us	Maps & Data	Offices	Performance	Projects
FDOT Us	er Sign-in Po	ortal							
	Choose a Login (Option							
		FDOT Active Directory Net	work		Ema	il - Internet Subscri	ber		
	Remember My	/ Selection							

- 3. Select the FDOT Active Directory Network option.
- A Login FDOT Active Directory Network window appears.

FDOT User Sign-ir	ı Portal							
	Login for FDOT Active Dire	ctory Network	<			/ ø/		
		Domain\L d1\cn12 Passworr	Jserid 23zz d Cool Cogin	~				
Change Login Option		Change	Password					

- 4. Enter the domain of your user id account, the back slash (\) and your user id.
- 5. Enter your network password.
- 6. Select the Login option.

User: -- 🏦 🖬

NOTE: If your account only has RACF (mainframe) access and no network access, you will not be able to log into MAC. Contact your local MAC District Application Coordinator (DAC) or submit an FDOT Service Desk Ticket.

A Terms of Services window will appear reminding you that although you are accessing MAC via the Internet, you are logging into a Department system and must abide by all applicable requirements.

Terms of Service

7. Select Agree to continue.

You will be navigated back to the MAC home screen. If you are a user with:

- Company roles and system roles or
- Company roles for more than one company or
- Company roles for more than one company and system roles

Select Company Role
Please select which company you will be using today:
+ Central Office
+ State Materials Office
+ No Company (I'll use my System Roles)

You will see this Select Company Role dialog box.

8. Select the appropriate role set to continue. The selection you make will impact the entries and functions you can see.

If you are a user with only one set of roles, like one company or only system roles, you'll skip this dialog box and MAC will default to your single role set.

Chapter 2 – Internet Subscriber Accounts (ISAs)

https://mac.fdot.gov/

1. Navigate to MAC.

Materials Acceptance and Certification System

2. From the MAC home screen, select the Log In option.

This takes you to an FDOT User Sign-in Portal.
