Various Interviews at Kick off Meeting

Date of Event: 8-27-19

Date of Transcript: 9-2-19

L.K. Nandam

FDOT District One Secretary

Southwest-Central Florida Connector Task Force Chair

The legislature provided us the goals and the framework. We're going to take that framework and take all the input from all the stakeholders and try to balance it and meet the intent of the legislation.

Everybody's input is important, right? Take the opportunities, the various opportunities that are provided at the task force meetings, at the public engagement meetings that we're going to have and through our website. We have provided opportunities to give your input 24/7.
