

Manatee Mobility Week

City Bicycle Ride

Join us for a family-friendly ride through parts of Manatee County to get an understanding of cycling impediments and how the County is addressing them through use of the bicycle map and other tools.

SPECIAL DETAIL HERE

- > Safety: With a police escort, the road is completely for cyclists the entire way; always use proper safety measures (for more information: <https://www.nhtsa.gov/road-safety/bicyclists>)
- > Discussion about the benefits of cycling and how mobility affects the community
- > **Short route followed by longer, scenic route over the two bridges**

For more information and maps about this event go to www.mymanatee.org/mobility
