

# Join us!

The Florida Department of Transportation (FDOT) celebrates its Fourth Annual Mobility Week.

**We are now statewide!**

## Mobility Week 2019 is around the corner and you don't want to miss it!

FDOT and partner agencies are proud to join hands once again to promote awareness of safe multimodal transportation choices. Florida residents can participate in a variety of events from October 25–November 1 hosted by partners throughout the state.

## This year's theme is Mix-It-Up.

We invite you to mix up the different travel choices available such as walking, biking, riding transit and carpooling. It's the perfect time to get out your sneakers, get your bike ready, and check out your local bus or train schedule as you plan your trips for work, school, shopping or attending your favorite game.
