

MPOAC Freight Committee Meeting

April 6, 2017 | Cocoa Beach, FL

Rickey Fitzgerald, FDOT
Freight & Multimodal Operations Office Manager

OFFICE OF FREIGHT, LOGISTICS & PASSENGER OPERATIONS

Framework for Strategic Focus

FDOT strategic freight focus is to achieve success through teamwork and efficiency. Teamwork and efficiency will be by means of removing institutional, Infrastructure and funding bottlenecks to build a well-connected, reliable and safe multimodal network.

Florida National Highway Freight Program

- **Formula required to spend \$301 Million (\$6.2 Billion Nationally) over five years:**
 - Update existing state freight plan for FAST Act compliance
 - Designate National Highway Freight Network (NHFN)
 - Primary Highway Freight System (PHFS)
 - Critical rural freight corridors (CRFC)
 - Critical urban freight corridors (CUFC)
- Establish freight advisory committee – encourage industry stakeholder involvement

Update Existing State Freight Plan

Update existing freight plan (Freight Mobility and Trade Plan)

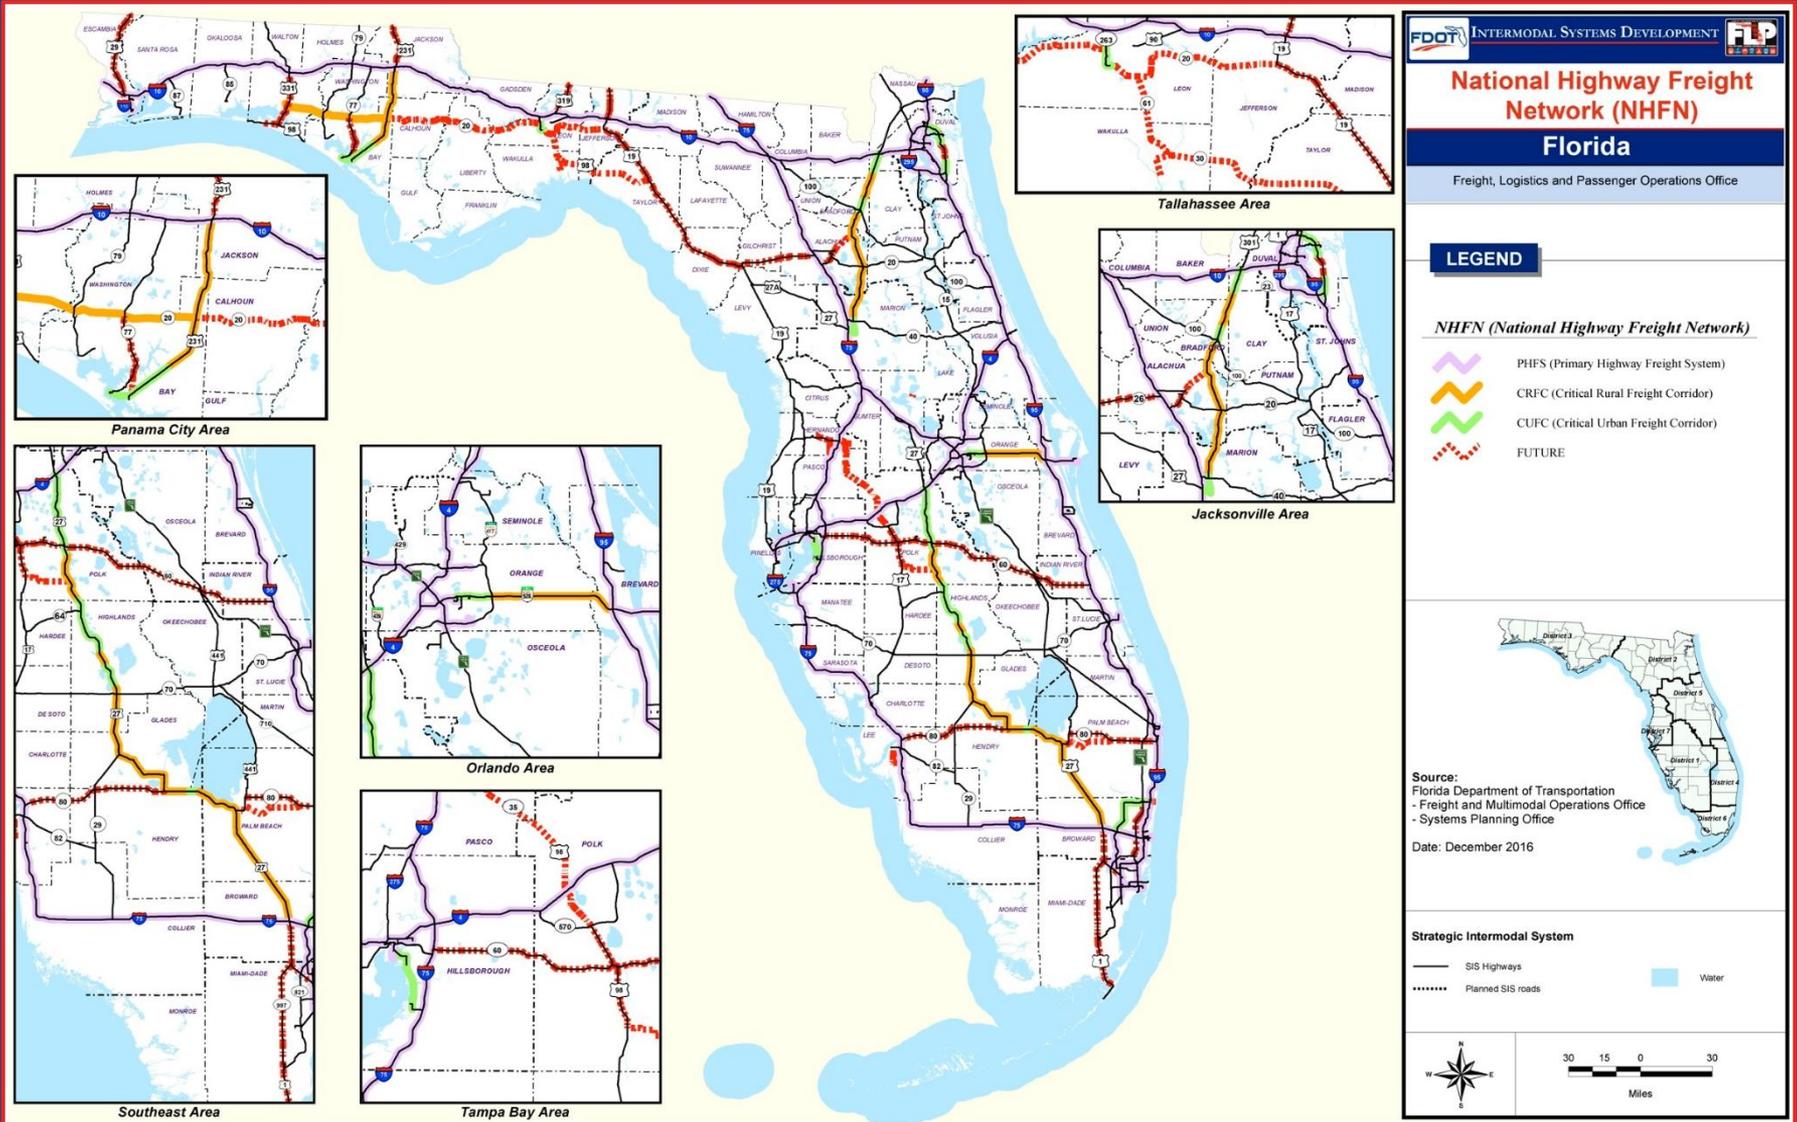

- Keep existing policy and investment elements
- Append with FAST Act requirements

Required Element	Status
1. An identification of significant freight system trends, needs, and issues with respect to the State;	Included in Freight Mobility and Trade Plan Investment Element Chapter 2
2. A description of the freight policies, strategies, and performance measures that will guide the freight-related transportation investment decisions of the State;	Included in Freight Mobility and Trade Plan Policy Element Chapter 4
3. When applicable, a listing of— a. multimodal critical rural freight facilities and corridors designated within the State under section 70103 of title 49 (National Multimodal Freight Network);	List of critical urban/rural freight corridors draft – pending final FHWA approval
b. critical rural and urban freight corridors designated within the State under section 167 of title 23 (National Highway Freight Program);	List of critical urban/rural freight corridors draft – pending final FHWA approval
4. A description of how the plan will improve the ability of the State to meet the national multimodal freight policy goals described in section 70101(b) of title 49, United States Code and the national highway freight program goals described in section 167 of title 23;	Included in Freight Mobility and Trade Plan Investment Element Chapter 1
5. A description of how innovative technologies and operational strategies, including freight intelligent transportation systems, that improve the safety and efficiency of the freight movement, were considered;	Included in Freight Mobility and Trade Plan Investment Element Chapter 4

Designate National Highway Freight Network (NHFN)

- Primary Highway Freight Network (PHFS)
 - 1,656 miles (41,518 Nationally)
 - US DOT Designated
- Critical Rural Freight Corridors (CRFC)
 - 320.14 miles
 - FDOT approve rural area corridors
 - Must provide access to Ag & Industry
- Critical Urban Freight Corridors (CUFC)
 - 160.07 miles
 - Urban areas over 500,000 require MPO approval
 - Must provide access to freight facilities

Designate NHFN: develop draft with CRFC/CUFC

Florida Freight Advisory Committee: Invitation

A map of Florida is shown with various transportation modes overlaid on it: a semi-truck, a train, a cargo ship, and an airplane. The FDOT logo is in the top right corner of the map area.

FLORIDA FREIGHT ADVISORY COMMITTEE (FLFAC)

Upcoming Meeting

Florida's transportation system supports the nation's 4th largest economy and 3rd largest population, provides 540,000 jobs, and directly affects our daily lives. Goods movement is a critical aspect of statewide impact and network usage.

The FLFAC advises the Florida Department of Transportation by providing insight on freight-related priorities, issues, projects, and funding needs.

The intent of all FLFAC meetings is to provide an open dialogue to advance discussion of critical freight-related topics – we welcome your participation and input!

Friday, April 21, 2017

Florida Department of Transportation Auditorium
605 Suwannee Street, MS 25
Tallahassee, FL 32399-0450
9AM – 5PM (if needed)

A vertical rectangular logo for the Florida Freight Advisory Committee. It features the text 'FLORIDA FREIGHT ADVISORY COMMITTEE' in a sans-serif font, with a red diagonal graphic element at the bottom.
