

Florida Freight Advisory Committee (FLFAC)

The FLFAC advises the Florida Department of Transportation by providing insight on freight-related priorities, issues, projects, and funding needs.

The intent of all FLFAC meetings is to provide an open dialogue to advance discussion of critical freight-related topics – we welcome your participation and input! For more information, visit [FDOT.gov/FLFAC](https://www.flhwy.com/FLFAC).

Monday, February 7, 2022
