

FLORIDA FREIGHT ADVISORY COMMITTEE (FLFAC)

Upcoming Meeting

Florida's transportation system supports the nation's 4th largest economy and 3rd largest population, provides 540,000 jobs, and directly affects our daily lives. Goods movement is a critical aspect of statewide impact and network usage.

The FLFAC advises the Florida Department of Transportation by providing insight on freight-related priorities, issues, projects, and funding needs.

The intent of all FLFAC meetings is to provide an open dialogue to advance discussion of critical freight-related topics – we welcome your participation and input!
