

## FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR INVITES YOU TO A VIRTUAL PUBLIC KICKOFF MEETING

### SR A1A OVER SEBASTIAN INLET - BRIDGE 880005 - BRIDGE REPLACEMENT PROJECT DEVELOPMENT AND ENVIRONMENT (PD&E) STUDY

Indian River County and Brevard County, Florida

Financial Project ID: 445618-1-22-02

Efficient Transportation Decision Making (ETDM) No.: 14433

The Florida Department of Transportation (FDOT), District Four, will conduct a Virtual Public Kickoff Meeting regarding the above referenced project. This virtual meeting will have a presentation followed by a question and comment period. Attendees can ask questions and make comments via the chat function and project representatives will provide answers during the meeting. Questions and comments may be submitted prior to the meeting through the registration link, project website, or by contacting the FDOT Project Manager. Project information can be viewed on the project website: <https://www.fdot.gov/projects/SebastianInletBridge>.

#### PD&E STUDY PURPOSE

A PD&E Study is FDOT's process to evaluate the social, economic, and environmental impacts associated with a planned transportation improvement project.

The purpose of this project is to address the structural and functional deficiencies of the existing bridge and address the gap in system linkage for bicyclists and pedestrians.

FDOT evaluated the bridge in November 2018 and determined that the bridge was structurally deficient. The bridge replacement is funded for construction in 2026.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the FDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 14, 2016, and executed by the Federal Highway Administration (FHWA) and FDOT.

#### PD&E STUDY SCHEDULE

PD&E Study Start: November 2020

PD&E Study Estimated Completion: June 2023
