

District 2 - SR 23/First Coast Expressway Construction

- The First Coast Expressway is a 46-mile, multi-lane toll road under construction, crossing Duval, Clay, and St. Johns counties.
- The project aims to reduce congestion on neighboring roadways and supports new development in this rapidly growing region of District 2.
- It is the second priority project on the North Florida Transportation Planning Organization's 2024 list.
- The project aligns with the Florida Transportation Plan goals for improved connectivity, efficiency, and resiliency.
- Visit the [project website](#) for more information.

SR23/First Coast Expressway construction connecting 46 miles of Duval, Clay and St. Johns Counties.
