

District 5 - SR 426 Coalition

SR 426 Coalition Public Meeting

- SR 426 is a key arterial road in Winter Park, handling over 40,000 vehicles daily. This new 1.7-mile project aims to improve safety and accessibility using traffic calming measures.
- District 5's new "Coalition" process was used to engage and collaborate with local stakeholders. Nearly 250 residents attended Coalition community events.
- The project incorporated nearly 30 safety countermeasures, such as raised crosswalks, narrowed lanes, and pedestrian signals.
- Visit the [project website](#) for more information.
