## Suggestions for the Letter of Interest

- Ask questions of and listen to your TRC.
- Use of graphics should add value to the letter.
- TRC prints in black and white, so colors may not be correctly represented.
- This TRC prefers a two-column format.
- If you reference a specific project, please include contact information.
- Check for grammatical errors and edit for clarity. It is a direct reflection on your QC abilities and written communication skills.
- Review CAP presentation if you have not pursued work in District One recently.
- Include only key staff and years of experience.

## TRC Considerations

- Project Approach and Scope Understanding
- Project-Specific Issues and Solutions
- Similar Project Experience
- Safety Considerations
- Communication
- QA/QC
