

Phase II to Phase IIR Changes

SR 93 (I-75)

From MP 33.989 to MP 46.000

Collier County

FPID 444008-4-52-01

October 20, 2022

The previous submittal was Phase II for the entire 50 mile I-75 project limits before it was subdivided into three segments. This is the last of the three segments in design (-4-) and the remaining two segments (-2- and -3-) are under construction. This -4- segment is within the Exception limits in -3-.

I. Roadway

- Refined the milling and resurfacing depths and associated Typical Section Details
- Provided the quantities

II. Signing and Pavement Marking

- Minor changes
- Provided the quantities

III. ITS

- Minor changes
- Provided the quantities

IV. Structures

- Minor changes
- Provided the quantities
