Suggestions for the Letter of Interest

- Ask questions of and listen to your TRC.
 - Use of graphics should add value to the letter.
 - TRC prints in black and white, so colors may not be correctly represented.
 - This TRC prefers a two-column format.
 - If you reference a specific project, please include contact information.
 - Check for grammatical errors and edit for clarity. It is a direct reflection on your QC abilities and written communication skills.
 - Review CAP presentation if you have not pursued work in District One recently.
 - Include only key staff and years of experience.
-

TRC Considerations

- Project Approach and Scope Understanding
 - Project-Specific Issues and Solutions
 - Similar Project Experience
 - Safety Considerations
 - Communication
 - QA/QC
