## ICYMI: Governor Ron DeSantis Announces Moving Florida Forward Infrastructure Initiative

*Governor proposes a \$4 billion investment, which will be leveraged for a total of \$7 billion, to expedite projects that will alleviate congestion and prioritize safety*

**AUBURNDALE, Fla.** — Today, Governor DeSantis announced the *Moving Florida Forward* initiative to expedite transportation projects over the next four years. If passed by the legislature, this proposal would invest \$4 billion of general revenue, redirect an average of \$131 million annually to the State Transportation Work Program, and leverage additional funding over the next four years for a total of \$7 billion to strengthen Florida's transportation infrastructure to accommodate the growing number of people that rely on Florida's roadways. Through this record investment, the Florida Department of Transportation (FDOT) would expedite 20 priority infrastructure projects into the existing Work Program to combat congestion, improve safety, and ensure a more resilient transportation system to bolster current transportation needs and set the stage for future growth. Projects included as part of the *Moving Florida Forward* Legislative Proposal are available at [fdot.gov/MovingFloridaForward](http://fdot.gov/MovingFloridaForward).

"This proposal will break through bureaucracy that often slows down infrastructure projects and allow FDOT to target projects that will ease congestion across the state," said **Governor Ron DeSantis**. "Expediting these projects will bring them to completion more than a decade ahead of schedule."

"Governor DeSantis' *Moving Florida Forward* proposal is truly historic and the projects included will help relieve congestion while also focusing on safety, resiliency, the supply chain, and economic growth. These are important for Floridians' quality of life and to ensure we maintain a strong transportation system to keep Florida moving forward," said **FDOT Secretary Jared W. Perdue, P.E.** "The Department has worked closely with communities and our partners through the years to plan and prepare these projects for construction. Receiving this funding will allow the vision of each project to become a reality in the immediate future to better meet the growing demands in communities throughout the state. Our team is prepared and ready to work with the Legislature to deliver these critical projects and strengthen Florida's transportation infrastructure."

Florida is home to over 22 million residents, and in just the first three quarters of 2022, we had nearly 105 million visitors to our state. In 2022, Florida experienced the largest net migration in the country at 1.9%, meaning that Florida's infrastructure must accommodate more people than ever before. The 20 projects included in the proposal will build more resilient transportation infrastructure, which is important to the integrity of roadways and corridors especially during severe weather events such as hurricanes.

FDOT will continue working on projects currently planned in the existing FDOT Five-Year Work Program in addition to projects included in the *Moving Florida Forward* package.

###

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to address the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

- Governor Ron DeSantis announced January 30 the *Moving Florida Forward Infrastructure Initiative*.
- The proposal would invest an additional \$7 billion to prioritize and accelerate the completion of 20 critical transportation infrastructure projects across the state.
- The proposal combines \$4 billion of General Revenue funding with innovative transportation project financing strategies that will allow FDOT to leverage an additional \$3 billion over the next four years.

## Infrastructure Initiative

01/19/2023  
Subject to change.  
Listed alphabetically  
by county.

**REGION**

Central Florida

**PROJECT LIMITS**

Interstate 4 (I-4) from Champions Gate to Osceola Parkway

**FUNDING**

\$1,451 Million

**CONSTRUCTION YEAR**

2024

**PROJECT DESCRIPTION**

This project will reconstruct I-4 to accommodate three general use lanes, auxiliary lanes, and two special use lanes in the eastbound and westbound directions from west of County Road (C.R.) 532 / Champions Gate to east of C.R. 522 / Osceola Parkway. Reconstruction of existing interchanges is also part of this project. For additional project details, please visit <https://i4beyond.com>.

**12** I-4 from Champions Gate to Osceola Pkwy.

**PROJECT LIMITS**

Poinciana Parkway Extension Connector from County Road (C.R.) 532 to State Road (S.R.) 429

**FUNDING**

\$1,318 Million

**CONSTRUCTION YEAR**

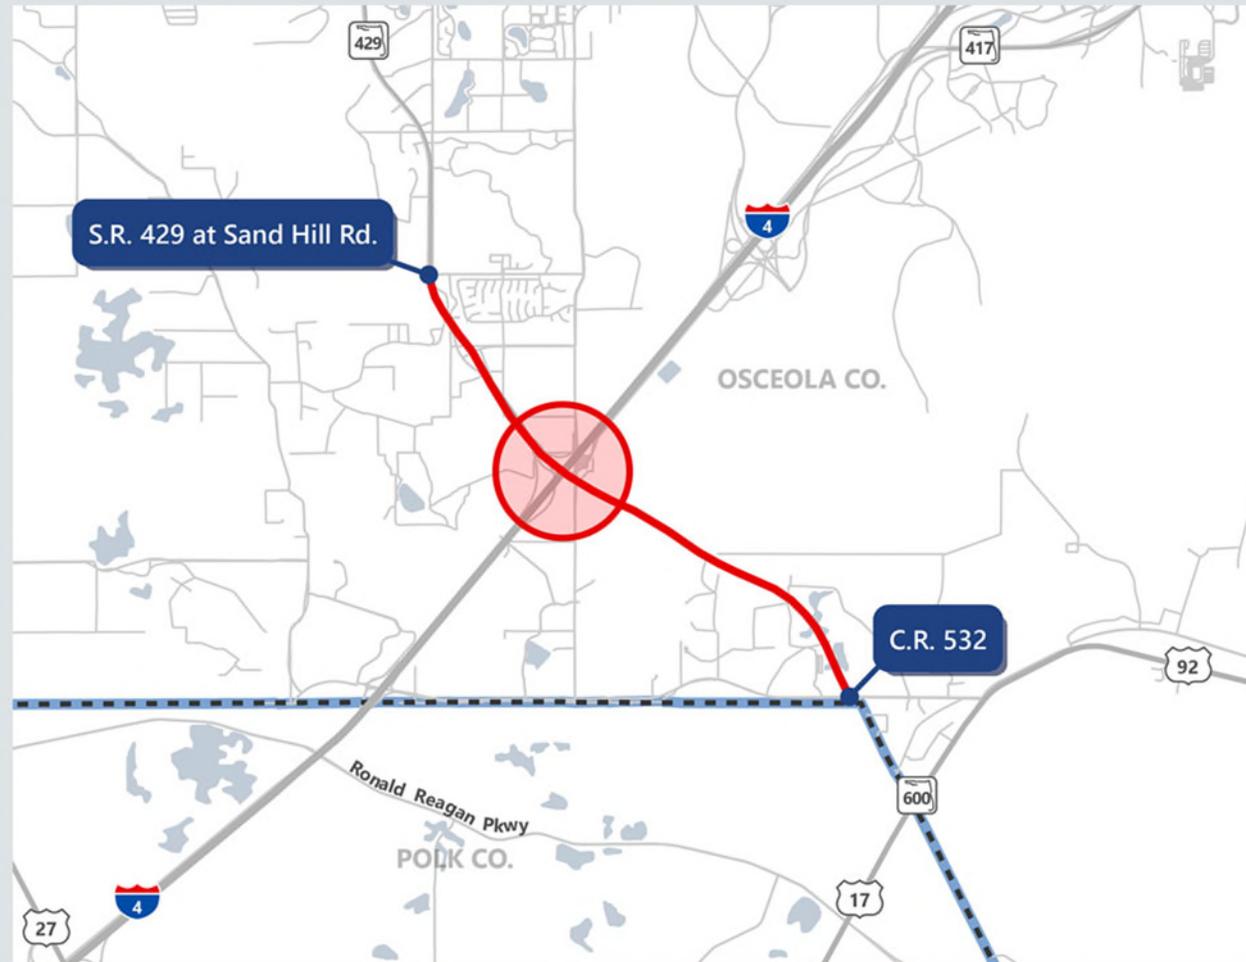

2027

**PROJECT DESCRIPTION**

This new stretch of roadway will extend about four miles from Osceola-Polk County Line Road/C.R. 532 to north of the Interstate 4 (I-4) at S.R. 429 interchange in Osceola and Polk Counties. Two alternatives were presented to the public in February 2022. A revised alternative was developed and will be presented at the public hearing in Spring 2023. **PROJECT LIMITS**

U.S. 301 from County Road (C.R.)  
470 to Florida's Turnpike

**FUNDING**

\$26 Million

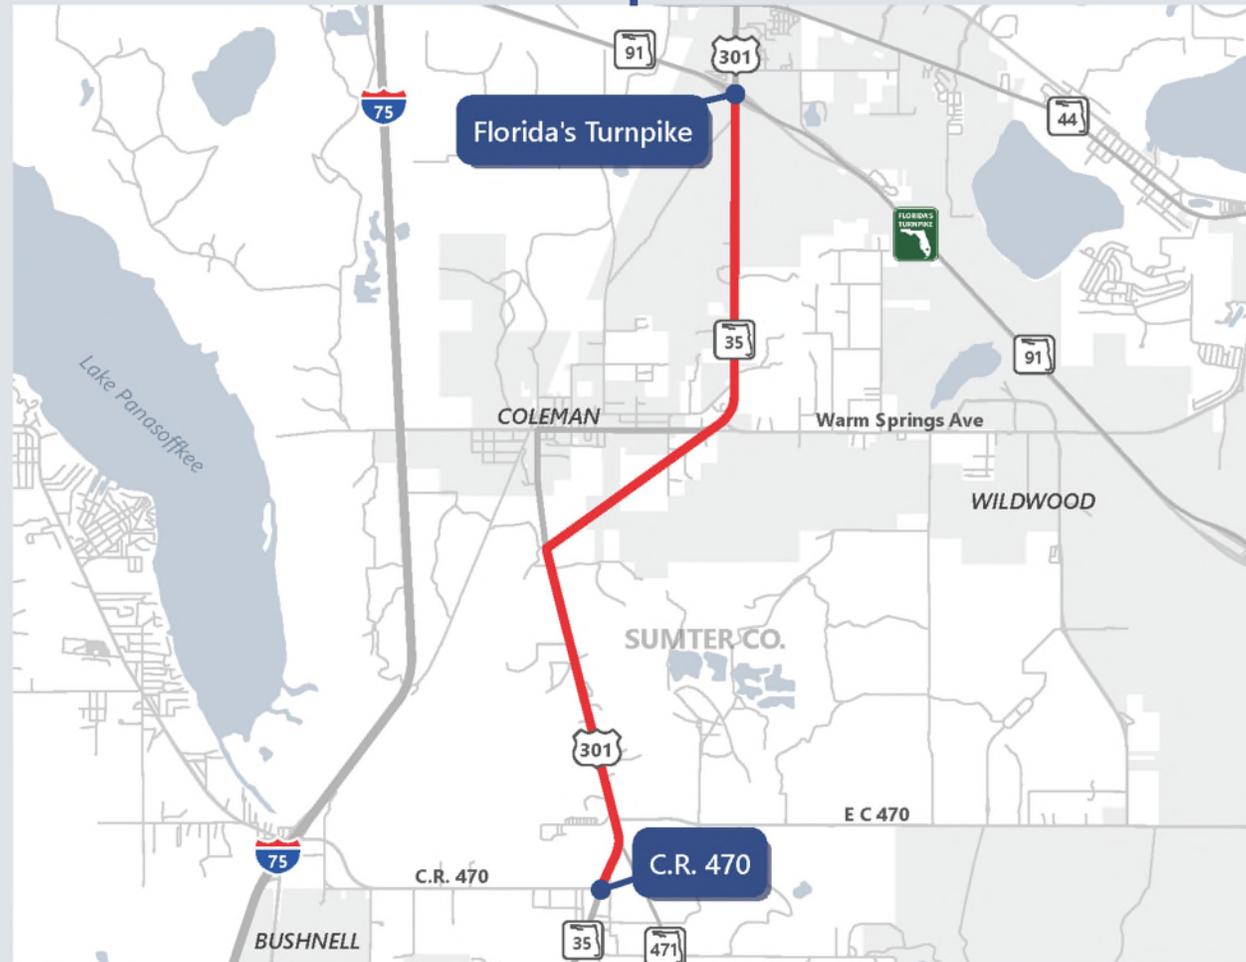

**CONSTRUCTION YEAR**

2025-26

**PROJECT DESCRIPTION**

The project will reconstruct U.S. 301 from C.R. 470 to Florida's Turnpike between the cities of Sumterville and Wildwood to increase the roadway capacity, respond to future travel demand, improve overall safety, and accommodate pedestrians and bicyclists. The project includes realigning the roadway around the City of Coleman to avoid impacts to the City's downtown businesses. For additional project details, please visit <https://www.cflroads.com/project/430132-1>.

# SAFETY UPDATE

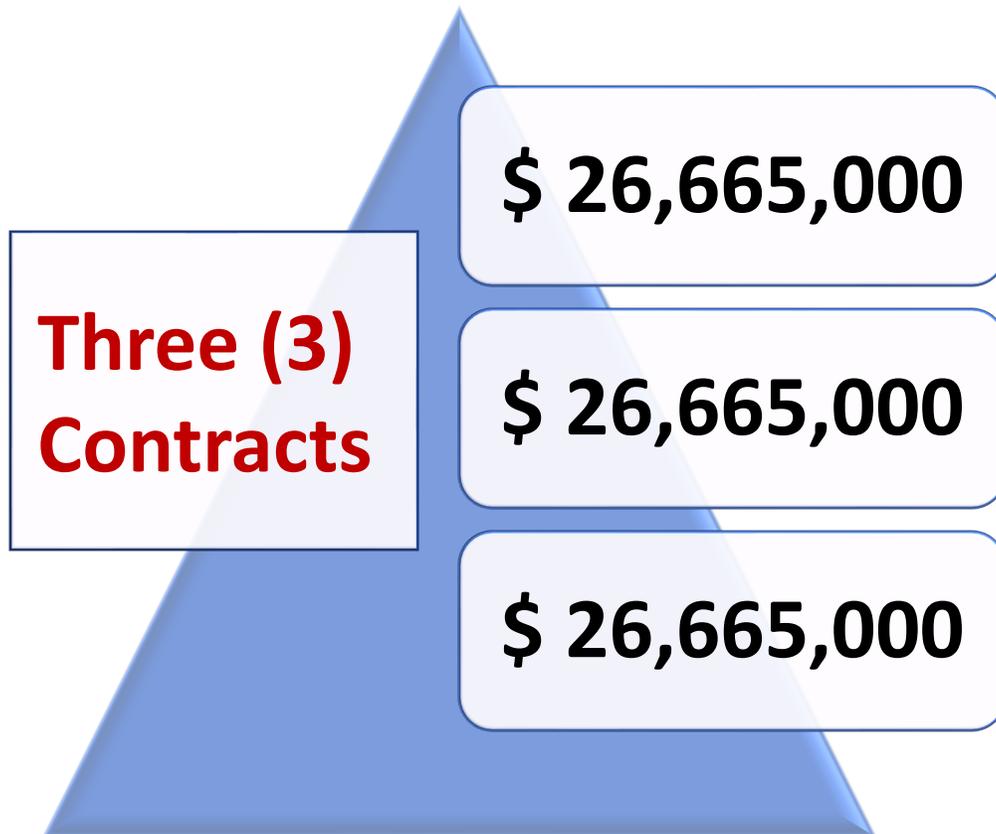

**ZERO FATALITIES  
& SERIOUS INJURIES  
ON FL ROADWAYS**

**EVERYONE  
HAS SOMETHING  
TO GET HOME TO**

## Transportation Development

Augment GEC support from two (2) contracts to three (3):

- **Optimize Resources**
- **Expand District Talent**
- **Diversify Support**

# PLANNED ACQUISITION SCHEDULE

**District 5 Planned Ad Site:**

<https://pdaexternal.fdot.gov/Pub/AdvertisementPublic/AllAdDetail/05/PS/A>

**Primes** can schedule a 30-minute marketing meeting with the DD and TRC by contacting Laura Boehmler via email at [laura.boehmler@dot.state.fl.us](mailto:laura.boehmler@dot.state.fl.us)

# CAP DISCUSSION

# CONSULTANT PROJECT MANAGEMENT FY24 PLAN

**20 Ads**  
**\$61.4 million**

**6 “Goes-  
With” Ads**

**3 BDI Ads**

**19 Projects  
to CSCs**

**1 CSC and 2  
BDI CSC Ads**

# CONSULTANT PROJECT MANAGEMENT FY24 PLAN

- First advertisement March 13, with ads before June
- Work types mostly:
  - Resurfacing
  - Signalization
  - Parking facilities
- Using Microsoft Bookings to schedule marketing meetings
- Each project is a “service” - book only 1 meeting per project
- “How to Guide” posted on the CAP website

## 12 CEI Groups

- 3 BDI groups (241, 242 & 249)
- 2 Lump sum contracts (240 & 247)

*Stay Tuned: More CEI contracts likely with Move Florida Forward projects*

## 6 TWO Contracts

- 1 Areawide contract for District construction
- 2 Areawide contracts for Traffic Operations
- 2 Pre-event contracts (advertised together with 2 firms selected)
- 1 Hybrid contract (all counties)

# CEI MARKETING MEETING PROCESS

- 1-2 Days are reserved 2 weeks prior to posted advertisement
- Contact Construction Project Manager to schedule meeting
- Meeting will include CPM, TRC, & Dept. Designee (if available)
- Exploring Microsoft Bookings for CEI use in the future (not yet)

Updates to CEI Schedule at: <https://ftp.fdot.gov/file/d/FTP/FDOT%20LTS/D5/Construction/D5WEB/CCEI/>
