BID #: DOT-ITB-24-9003-CA

BID TITLE: ATTENUATOR PARTS

Trinity Industries/Energy Absorption Brand

Award will be made to an authorized Florida Distributor for Trinity Industries/Energy Absorption.

Bidders will supply for each item the quantity that can be shipped in a box and on a pallet. Price shall be for each item, not per box or pallet. The Department will decide if orders are to be shipped via box or pallet based on Warehouse/Distribution needs. Orders for quantities fitting 5 or more pallets will be shipped on pallets via Freight Company unless otherwise requested by the Department. Orders for quantities less than 5 pallets will be shipped in boxes unless otherwise requested by the Department.

Please include a list of any additional repair parts. This list will not be part of the award but will be added as part of the final contract for the awarded vendor. List must include item description, model #, APL # and unit price. You may attach a spreadsheet with the additional items or use the enclosed table.
