

Work Group 4 Sample Format for Experience Submittal

Applicant Name: _____

PE Number (N/A for TECH applications): _____

Undergraduate engineering degree date (No experience prior to this date will be counted towards PE prequalification experience) _____

Post graduate degree dates: _____

Note: Please review *General Tips for Professional Services Prequalification Resume Submission* posted at https://fdotwww.blob.core.windows.net/sitefinity/docs/default-source/procurement/pdf/sampleresumes.pdf?sfvrsn=3d385b6a_4 prior to submitting application.

Project Name	Project's Applicable Work Type	Attributes of project meeting applicable Work Type per F.A.C 14-75*	Specific technical role with description*	Duration of applicant's design involvement (MM/YYYY-MM/YYYY)**	Non-concurrent design involvement duration (months)***

*Applicant can attach resume for additional background information for consideration. Resumes should conform to format of sample resume included with *General Tips for Professional Services Prequalification Resume Submission* document.

** Provide design duration involvement only and not entire project duration from design commencement to construction completion.

*** Concurrent or overlapping time within the same Work Type cannot be considered as additive towards the 60- month requirement for PE prequalification (example: overlapping durations for two 4.1.1 projects is only counted once) but is permitted between different Work Types (example: overlapping durations between a 4.1.1 and a 4.1.2 project are not deducted). It is at the applicant's discretion as to which project they want the overlapping duration to count once towards.
