

CHAPTER 14 EMERGENCY CONTRACTS

Whenever there is an emergency declaration for a project for which FHWA funds are to be requested, FHWA will be notified immediately by the PSU that the Department intends to deviate from its normal selection process. FHWA will be provided a copy of the emergency declaration and the preliminary scope of services. FHWA's prior approval is required for FHWA financial participation. Emergency procurements of professional services must be performed in accordance with Department ***Procedure No. 375-040-130, Emergency Procurement During Governor Declared Emergencies.***
