SUBJECT: January 2015 FDOT Standard Specifications for Road and Bridge Construction

The State Specifications Office has released the 2015 FDOT Standard Specifications for Road and Bridge Construction. The 2015 Standard Specifications is a consolidation of the 2014 Standard Specifications eBook with approved Supplemental Specifications through December 2014. The January 2015 Standard Specifications is electronic only and published as an eBook on the Specifications web site at the following address:

<http://www.dot.state.fl.us/specificationsoffice/Implemented/Specbooks/Default.shtm>

The eBook is provided in Adobe Acrobat (.pdf) format and includes bookmarks, hyperlinks and search capabilities. It may be viewed online, downloaded or printed.

The January 2015 Standard Specifications shall be implemented on all projects let January 2015 through June 30, 2015. All Plans beginning with the January 2015 letting shall include a reference to the new January 2015 Standard Specifications for Road and Bridge Construction on the key sheets. This will ensure uniform reference to this new publication.
