Kenneth,

FM 5-541 Part C already references NTPEP. See below excerpt: PART C - APL Evaluation of Temporary Tape and Standard Waterborne Paint Evaluation of Temporary Tape marking materials will be performed utilizing data submitted by an independent testing organization, such as the National Transportation Product Evaluation Program (NTPEP). Evaluation of Standard Waterborne Paint materials may be performed utilizing data submitted by an independent testing organization, such as the National Transportation Product Evaluation Program (NTPEP), in lieu of Product Evaluation testing from Part B above.
