PROSECUTION AND PROGRESS
(REV 10-31-19)

SUBARTICLE 8-4.4 is deleted and the following substituted:

→ **8-4.4 Coordination with other Contractors:** Sequence the Work and dispose of materials so as not to interfere with the operations of other Contractors engaged upon adjacent work; coordinate ~~join~~ the Work, including the placement of work zone signs and temporary traffic control devices, to that of others in a proper manner, in accordance with the spirit of the Contract Documents; and perform the work in the proper sequence in relation to that of other Contractors; all as may be directed by the Engineer.

→ → Each Contractor is responsible for any damage done by ~~it him or his~~ its agents to the adjoining work being performed by another Contractor.

Response: (Specification Office Response) Change has been made.
