Re: State Specifications Office
Section: **400**
Proposed Specification: **4002304 Concrete Structures.**

Dear Mr. Nguyen:

We are submitting, for your approval, two copies of the above referenced Supplemental Specification.

The changes are proposed by Robert Robertson from the Structures Design Office to clarify bridge planing and grooving are two separate operations and will be paid for separately.

Please review and transmit your comments, if any, within two weeks. Comments should be sent via email to daniel.strickland@dot.state.fl.us.

If you have any questions relating to this specification change, please call me at 414-4130.

Sincerely,

Signature on file
