| Design Bulletin Construction (DCE Men                                     | no)                    | Estima      | ates Bulletin Materials Bulle     | etin |
| Have all references to internal and external pul                          | blications i           | in this Sec | tion been verified for accuracy?  |      |
| Synopsis: Summarize the changes:  |                        |             |                                   |      |
| Justification: Why does the existing language no                          | eed to be o            | changed?    |                                   |      |
| Do the changes affect either of the following ty                          | pes of spe             | cifications | (Hover over type to go to site.): |      |
| Special Provisions Developmental Specifi                                  |                        |             |                                   |      |
| List Specifications Affected: (ex. SP3270301 De                           | v330TI D4              | v334TI 🗠    | tc )                              |      |

| 1. Are changes in line with promoting and making meaningful progress on improving safety, enhancing mobility, inspiring innovation, and fostering talent; explain how? |
|--|
| 2. What financial impact does the change have; project costs, pay item structure, or consultant fees?  |
| 3. What impacts does the change have on production or construction schedules?  |
| 4. How does this change improve efficiency or quality?   |
| 5. Which FDOT offices does the change impact?  |
| 6. What is the impact to districts with this change?   |
| 7. Does the change shift risk and to who?  |
| 8. Provide summary and resolution of any outstanding comments from the districts or industry.  |
| 9. What is the communication plan?   |
| 10. What is the schedule for implementation?   |

## PROSECUTION AND PROGRESS. (REV 5-24-23)

SUBARTICLE 8-10.2 is deleted and the following substituted:

**8-10.2 Amount of Liquidated Damages**: Applicable liquidated damages are the amounts established in the following schedule:

| Original Contract Amount                                 | Daily Charge Per Calendar Day  |  |  |
|--|--|--|--|
|  | \$9 <u>04</u> 80<br>00,000\$1,685  |  |  |
| \$2,000,000 but less than \$5,                           | 000,000\$2,6 <del>67</del> 50  |  |  |
| \$10,000,000 but less than \$2                           | 0,000,000\$3,81 <mark>3</mark> 9<br>20,000,000\$ <u>5,021</u> 4,687              |  |  |
|  | \$10,000,000\$7, <u>442</u> 625<br>\$10, <mark>224467</mark> plus 0.00005 of any |  |  |
| amount over \$40 million (Round to nearest whole dollar) |  |  |  |

The Engineer may approve adjustments to the liquidated damages amounts in accordance with the Construction Project Administration Manual (CPAM) provided all contract work is complete.
