

EXPECTED IMPLEMENTATION JULY 2024 (FY 2024-25)

682 VIDEO EQUIPMENT. **(REV 8-10-23) (FA 9-13-23) (FY 2024-25)**

ARTICLE 682-3 is deleted and the following substituted:

682-3 Warranty.

Ensure that CCTV cameras and video display equipment have a manufacturer's warranty covering defects for a minimum of one year from the date of final acceptance. Ensure that the warranty requires the manufacturer to furnish replacements for any part or equipment found to be defective during the warranty period at no cost to the Department or the maintaining agency within 10 calendar days of notification.

Warranty repairs of the video display control system and related TMC display equipment must commence within 24 hours after notification by the Department.
