Comments: (9-6-23 Industry)

Remove this sentence/note: "For overhead school zone sign (FTP 31-06) install the signal head in field in accordance with the Plans and Standard Plans, Index 700-120 for overhead school zone sign."

Response: (Specifications Office)

The originator requested the change after the proposal was posted to Industry Review for comments.

Action: Change implemented prior to proposal sent for FHWA approval.
