

AWARD AND EXECUTION OF CONTRACT (BID FACTOR)
(REV 4-28-19) (1-21)

ARTICLE 3-1 is expanded by the following:

The quantities shown on the Bid Price Proposal are approximate and only represent estimated planned requirements based on historical or specific project needs. The Department does not guarantee any maximum or minimum quantity, any range of quantities, or the exact quantities shown for each bid item. Use the Department's estimated quantities and prices listed for each item in the Bid Price Proposal to determine a single bid factor. This bid factor will be used to determine the low bidder; however, actual payment under the awarded contract will be based on actual quantities completed.
