5	123456-1-52-01 (NO FPID)	12/6/2022	Steve Nolan	The project is located at SW 43rd Street Road Bridge (Bridge No. 365302) over FL State Road 93. It is just north of I-75 North MP 349. This project for Marion County will include the use of undercut anchors for the attachment of aluminum art panels (as part of a CAF) to the side face of an existing bridge. Note: This project does not have an FPID number. This is I-75 Gateway (SW 43rd Street RD) in Marion County. Per the EOR, "This project does not have an FPID number, it is a project under Marion County. However, it has been reviewed by FDOT Central Office and FDOT D5 Structures as it crosses over State Road 93 and they are aware of this request for use of the Developmental Specifications."
