

Additional Submittal Instructions

Access your PATH account by clicking on the following link:

<https://fdotwp1.dot.state.fl.us/ApprovedProductList/Specifications>

• A click of the pointer will reveal assistance, if needed.

- Click Account
- Click Sign In

The screenshot shows the FDOT Florida Department of Transportation website. The top navigation bar includes links for Home, About FDOT, Contact Us, Offices, Maps & Data, Performance, and Projects. Below this is the PATH section with a search bar and navigation links for APL, IPL, Other, Manufacturers, Account, and Contact Product Evaluation. The Account dropdown menu is open, showing options: Sign In, Need an account?, Can't access your account?, and Change Password. The main content area displays a table of Specifications with columns for Specification Number, Resource Links, and Product Types. The first row is for '102 - Maintenance of Traffic Items' and lists various product types like Automated Flagger Assistance Device (AFAD), Barricade Type I NCHRP-350, etc.

- Enter your Email & Password
- Click Sign In

The screenshot shows the FDOT Florida Department of Transportation website. The top navigation bar is the same as in the previous screenshot. Below this is the PATH section with a search bar and navigation links for Home, About FDOT, Contact Us, Offices, Maps & Data, Performance, and Projects. The main content area displays a login form with the following fields: Email (or FDOT User ID) [required] with a placeholder 'e.g. name@example.com', Password [required], and a Sign In button. Below the form is a footer with links for Contact Us, Employment, MyFlorida.com, Performance, Statement of Agency, and Web Policies & Notices. The bottom of the page features social media icons for Facebook, Twitter, YouTube, WordPress, and RSS, along with the text '© 1996-2013 Florida Department of Transportation' and 'Florida Department of Transportation Consistent, Predictable, Repeatable'.

Please review sections 334.049(4), 688.002 and 812.061(1), Florida Statutes regarding public records and the exemptions applicable to public records requests that concern trade secrets. Please note, the sections listed herein are not necessary exhaustive. For additional information, consult your legal counsel. When submitting information to the Department, the applicant has waived any applicable trade secret exemption concerning any document that is not clearly marked as a "trade secret" or "confidential". For documents so marked, the Department will notify the applicant if a request is made so that the applicant may take steps to protect its asserted trade secret. By signing below, the applicant understands and agrees to abide by the restrictions of this paragraph.

Affirm

I, Sarah Smith hereby certify that, in accordance with the Florida Department of Transportation Standard Specifications for Road and Bridge Construction, all the information provided in this application and the supporting data attached is accurate and correct. I certify that I have reviewed the above referenced Florida Statutes sections regarding public records and the exemptions applicable to public records requests that concern trade secrets. I waive any applicable trade secret exemption concerning any document that is not clearly marked as a "trade secret" or "confidential". I understand that for documents so marked, the Department will notify the business if a request is made so that the business may take steps to protect its asserted trade secret. By signing below, I understand and agree to abide by the restrictions of this paragraph. I further certify that I am authorized to issue this certification on behalf of.

Name of business FDOT
Person furnishing information Sarah Smith Title Product Evaluation Specialist
Date 5/18/2020

Required

By submitting this Application and Documentation, the submitter is certifying that all the information provided is accurate and correct at this date.

Note: The application is for informational purpose only and in no way, obligates the Department to use your product.
