

APL Instructions

Access your PATH account by clicking on the following link:
<https://fdotwp1.dot.state.fl.us/ApprovedProductList/Specifications>

☛ A click of the pointer will reveal assistance, if needed.

- Click Account
- Click Sign In

The screenshot shows the FDOT PATH website interface. At the top left is the FDOT logo and the text "Florida Department of TRANSPORTATION". On the right, there are links for "E-Updates | FL511 | Mobile | Site Map" and a search bar. Below the header is a navigation bar with "Home", "About FDOT", "Contact Us", "Offices", "Maps & Data", "Performance", and "Projects". The main content area is titled "PATH" and contains a "Specifications" section. A dropdown menu is open over the "Account" link, showing options: "Sign In", "Need an account?", "Can't access your account?", and "Change Password". The "Specifications" table has columns for "Specification Number", "Resource Links", and "Product Types". The "Resource Links" column for "102 - Maintenance of Traffic Items" lists several links related to road and bridge construction. The "Product Types" column lists various traffic control devices like AFAD, barricades, cones, and signs.

- Enter your Email & Password
- Click Sign In

This screenshot shows the "Sign In" form on the FDOT PATH website. The form is located below the "Account" dropdown menu. It includes a text box for "Email (or FDOT User ID) Required" with a placeholder "e.g. name@example.com", a text box for "Password Required", and a "Sign In" button. Below the form is a footer with links for "Contact Us", "Employment", "MyFlorida.com", "Performance", "Statement of Agency", and "Web Policies & Notices". At the bottom left are social media icons for Facebook, Twitter, YouTube, WordPress, and Instagram. At the bottom right is the text "Florida Department of Transportation Consistent, Predictable, Repeatable".

- **Click + New Application**

Florida Department of Transportation - PATH

The screenshot shows the top navigation bar with links for Home, APL, IPL, Other, My Products, Administration, PG965SS, Contact Product Evaluation, and Help. Below this is a secondary navigation bar with links for Detail, Products, Contacts, Applications, and History. The main content area features a '+ New Application' button highlighted in yellow. Below the button are radio buttons for 'All Applications' and 'Pending Applications', and a 'Sort' dropdown menu set to 'Application Id Descending'. A table with the following columns is visible: Application ID, Status, Is Signed, Specification or Dev Specification, Product Type, Product Name, Date Submitted, and Application Type. At the bottom of the page, there are links for Contact Us, Employment, MyFlorida.com, Performance, Statement of Agency, and Web Policies & Notices, along with social media icons and the Florida Department of Transportation logo.

- **Verify Application Type (arrow) is APL**
- **Add Specification (arrow)**
- **Add Product Type (arrow)**
- **Enter the Product Name (New Product Name), if not listed from the selection (arrow)**
- **Answer the question: Was this product manufactured using convict, inmates or incarcerated individuals?**
- **Click Save**

Florida Department of Transportation - PATH

The screenshot shows the 'New Application' form on the Florida Department of Transportation PATH website. The form is titled 'Application' and includes a sub-header 'Contact Info Documents/Submittal'. Below this is a breadcrumb trail: 'Manufacturers / FDOT / Applications'. A warning message states: 'Applications that are not submitted will be removed from the system after 30 days'. The form fields are: 'Application Type' (dropdown menu with 'APL' selected), 'Specification' (dropdown menu with '919 - Ground Tire Rubber' selected), 'Product Type' (dropdown menu with '919 - 002 - Ground Tire Rubber Type A' selected), 'Product Name' (dropdown menu with 'Marshmallow Man' selected), 'Model' (text input field), and 'Was this product manufactured using convict, inmates, or incarcerated individuals?' (radio buttons with 'Unknown' selected). At the bottom of the form are 'Save', 'Cancel', and 'Next' buttons. The footer of the page includes links for Contact Us, Employment, MyFlorida.com, Performance, Statement of Agency, and Web Policies & Notices, along with social media icons and the Florida Department of Transportation logo.

Please review sections 334.049(4), 688.002 and 812.081(1), Florida Statutes regarding public records and the exemptions applicable to public records requests that concern trade secrets. Please note, the sections listed herein are not necessary exhaustive. For additional information, consult your legal counsel. When submitting information to the Department, the applicant has waived any applicable trade secret exemption concerning any document that is not clearly marked as a "trade secret" or "confidential". For documents so marked, the Department will notify the applicant if a request is made so that the applicant may take steps to protect its asserted trade secret. By signing below, the applicant understands and agrees to abide by the restrictions of this paragraph.

Required

I, Sarah Smith hereby certify that, in accordance with the Florida Department of Transportation Standard Specifications for Road and Bridge Construction, all the information provided in this application and the supporting data attached is accurate and correct. I certify that I have reviewed the above referenced Florida Statutes sections regarding public records and the exemptions applicable to public records requests that concern trade secrets. I waive any applicable trade secret exemption concerning any document that is not clearly marked as a "trade secret" or "confidential". I understand that for documents so marked, the Department will notify the business if a request is made so that the business may take steps to protect its asserted trade secret. By signing below, I understand and agree to abide by the restrictions of this paragraph. I further certify that I am authorized to issue this certification on behalf of.
