The screenshot shows the FDOT website interface, similar to the previous one. The "Account" dropdown menu is open, and the "Sign In" option is highlighted. Below the navigation bar, a message states: "By logging on to a FDOT system, you acknowledge your responsibility to comply with all laws, rules, directives, policies, and procedures related to the use and security of information technology resources. Unauthorized use is strictly prohibited. You are hereby on notice that you should have no expectation of privacy as to your use of Department information technology resources as all data is potentially subject to Florida's public records law." Below this message is a "Sign In" form with two input fields: "Email (or FDOT User ID) [required]" and "Password [required]". The "Email" field contains the placeholder text "e.g. name@example.com". A "Sign In" button is located below the password field. At the bottom of the page, there is a footer with links for "Contact Us", "Employment", "MyFlorida.com", "Performance", "Statement of Agency", and "Web Policies & Notices". Social media icons for Facebook, Twitter, YouTube, WordPress, and RSS are also present. The footer text reads "© 1996-2013 Florida Department of Transportation" and "Florida Department of Transportation Consistent, Predictable, Repeatable".
