

STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION
**CERTIFICATION TO FIELD INSTALLATION OF
MATERIALS TO THE DEPARTMENT'S TEST DECK**

630-020-02
PROGRAM MANAGEMENT
06/16

The undersigned _____, on behalf of and as a duly authorized representative of _____, (hereinafter referred to as the "Manufacturer") hereby certifies, represents and warrants to the Florida Department of Transportation (hereinafter referred to as the "Department") as follows:

1. That the Manufacturer submits to apply product to the Department's test deck for review and consideration for the Approved Products List; and
2. That in consideration for the Manufacturer's product to be applied to the test deck, if the product fails any aspect of the specified testing, the Manufacturer will be required to remove the product and/or replace the product to the specifications of the Department, at no cost to the Department, and within a reasonable time period to be determined by the Department.
3. That the Manufacturer will provide a temporary traffic control plan prior to starting any work and maintain traffic in accordance with that plan. The plan will comply with the latest version of the Department's Design Standards Index 600. When applicable, the plan will consist of identifying one or more of the Typical Applications provided in Design Standards Indexes 601 through 670. For work operations and/or site conditions not addressed in Indexes 601 through 670, a site specific plan signed and sealed by a Professional Engineer licensed in Florida will be provided; and
4. That in consideration for the Manufacturer's product(s) to be applied to the test deck, the manufacturer hereby agrees to indemnify and hold harmless the Florida Department of Transportation, its officers and employees from all liabilities, damages, losses, and costs including but not limited to, reasonable attorney fees incurred and paid to the extent caused by negligence, recklessness, or intentional wrongful misconduct of the Manufacturer and persons employed, utilized or contracted by the Manufacturer in preparation and installation of product(s) to the test deck.
