

Rule 14-46.005, Florida Administrative Code

Wireless Utilities

Hearing Agenda

Friday, November 19th, 2021, 3:00 p.m.

Department of Transportation – Burns Building Auditorium

The primary focus of this hearing is to discuss the results for the field test at the Florida's Turnpike Enterprise SunTrax facility. This hearing is also an opportunity to discuss the proposed Rule 14-46.005, Florida Administrative Code, establishing permitting criteria for small wireless equipment installed in Florida Department of Transportation rights-of-way. The Department will accept both oral and written comments.

Schedule for Public Hearing:

| | |
|-------------------------|---|
| 3:00 p.m. | Introduction of Department staff and attendees |
| 3:05 p.m. - Adjournment | Review and comments on the test results from the field test conducted at the SunTrax facility and rule language. |

The Department appreciates your participation in this process.
