

IMPORTANT NOTICE

OUTDOOR ADVERTISING PERMIT TAG DISPLAY

Section 479.07(5) Florida Statutes, requires that the issued metal permit tag be permanently displayed on the upper 50 percent of the sign structure in such a manner that it is secure and plainly visible from the main-traveled way of the roadway to which the sign is permitted. Tags must be displayed at the permitted location even if the sign structure is not in place.

The Department will allow for self-certification of replacement tag(s) posting. To accomplish this, please complete the enclosed certification and return it along with a dated photograph of the posted tags to the Department within 35 business days of tag issuance. You may also e-mail the Certification of Tag Posting and a dated photograph to: Matt.Cosgrove@dot.state.fl.us

Failure to post tags will subject the sign permit(s) to revocation.

This Certification of Tag Posting is available for download on the Department's Outdoor Advertising web page:
