

FLORIDA DEPARTMENT OF TRANSPORTATION INTERMODAL LOGISTICS CENTER INFRASTRUCTURE SUPPORT PROGRAM

NOTICE OF FUNDING OPPORTUNITY

SUMMARY:

This notice announces the availability of funding and requests applications for the Florida Department of Transportation's Intermodal Logistics Center (ILC) Infrastructure Support Program. Beginning in fiscal year 2024-2025, \$15 million shall be made available from the State Transportation Trust Fund for each of the next 5 years (2024/2025 – 2029/2030).

What is an ILC? Per [311.101, F.S.](#), the term “intermodal logistics center,” including, but not limited to, an “inland port,” means a facility or group of facilities serving as a point of intermodal transfer of freight in a specific area physically separated from a seaport where activities relating to transport, logistics, goods distribution, consolidation, or value-added activities are carried out and whose activities and services are designed to support or be supported by conveyance or shipping through one or more seaports listed in [311.09, F.S.](#)

DATES:

Applications are accepted on a rolling basis. Submissions will be reviewed for funding consideration in order of applications received. All submissions may be considered for funding in current and future years.

APPLICATION AND GUIDELINES:

As allowed by [311.101, F.S.](#), the Department developed [Rule 14-118](#) to guide implementation of this program. The application is linked in the rule. Please visit the ILC Support Program webpage at: <https://www.fdot.gov/seaport/ilc>
