

993 REFLECTOR UNITS FOR GUARDRAIL - CERTIFICATION.

(REV 3-30-01) (FA 4-11-01) (1-02)

SUBARTICLE 993-5.4 (Page 964) is deleted and the following substituted:

993-5.4 Qualified Products List: Markers used to delineate guardrail shall be one of the products listed on the Qualified Products List. Manufacturers seeking evaluation of their product shall submit an application in accordance with Section 6.

ARTICLE 993-5 (Pages 963 and 964) is expanded as follows:

993-5.5 Certification: The Contractor shall provide the Engineer a certified test report from the manufacturer of the guardrail reflector unit confirming that the requirements of this Section are met. The certified test report shall conform to the requirements of Section 6 and include the specific intensity of the colorless and amber reflectors, and the material of construction. Additionally, reflective sheeting certifications specified in Section 994 shall be provided. Each certification shall cover only one batch per type for reflector units for guardrail.
