(REV 8-27-99) (FA 11-16-99) (7-00)

ARTICLE 7-16 (Page 69). The text is deleted and the following substituted:

For all projects that include Federal-aid participation, the Special Provisions contain requirements with regard to payment of predetermined minimum wages. Predetermined Wage Rate Decisions (U.S. Department of Labor provided Wage Rate Tables) exist for Heavy, Highway, and Building Construction Projects. Heavy Decisions apply for bridge construction over commercially navigable waters. Highway Decisions apply for highway and/or bridge construction (other than over commercially navigable waters). Building Decisions apply in contracts for building construction.
