

**PROSECUTION AND PROGRESS – SUBLETTING OR ASSIGNING OF CONTRACTS.**

**(REV 2-5-02) (7-02)**

SUBARTICLE 8-1.1 (Page 71). The first paragraph is deleted and the following substituted:

**8-1.1 General:** Do not, sell, transfer, assign or otherwise dispose of the Contract or Contracts or any portion thereof, or of the right, title, or interest therein, without written consent of the Department. If the Contractor chooses to sublet any portion of the Contract, the Contractor must provide a written request to sublet work on the Certification of Sublet Work form developed by the Department for this purpose. With the Engineer's acceptance of the request, the Contractor may sublet a portion of the work accordingly. The Contractor shall perform with his own organization work amounting to not less than 50% of the total Contract amount, less the total amount for those Contract items designated as "Specialty Work". The Certification of Sublet Work request will be deemed acceptable by the Department, for purposes of the Department's consent, unless the Engineer notifies the Contractor within 5 business days of receipt of the Certification of Sublet Work that the Department is not consenting to the requested subletting.
