

**8-13.1 “No Excuse Bonus” Payment and Waiver of Contractor Claims.
(REV 3-8-99) (7-01)**

The Department will pay the Contractor a “No Excuse Bonus” in the amount of \$ _____, if the work in the Contract is completed in accordance with 5-11, as determined by the Engineer, on or before _____ (“No Excuse Bonus” Completion Date) and subject to the conditions precedent set forth below. For purposes of the calculation and the determination of entitlement to the “No Excuse Bonus” stated above, the “No Excuse Bonus” Completion Date will not be adjusted for any reason, cause or circumstance whatsoever, regardless of fault, save and except in the instance of a catastrophic event (i.e., hurricane or a declared state of emergency).

The parties anticipate that delays may be caused by or arise from any number of events during the course of the Contract, including, but not limited to, work performed, work deleted, change orders, supplemental agreements, delays, disruptions, differing site conditions, utility conflicts, design changes or defects, time extensions, extra work, right of way issues, permitting issues, actions of suppliers, subcontractors or other contractors, actions by third parties, shop drawing approval process delays, expansion of the physical limits of the project to make it functional, weather, weekends, holidays, suspensions of Contractor’s operations, or other such events, forces or factors sometimes experienced in highway construction work. Such delays or events and their potential impacts on performance by the Contractor are specifically contemplated and acknowledged by the parties in entering into this Contract, and shall not extend the “No Excuse Bonus” Completion Date set forth above. Further, any and all costs or impacts whatsoever incurred by the Contractor in accelerating the Contractor’s work to overcome or absorb such delays or events in an effort to complete the Contract by the “No Excuse Bonus” Completion Date, regardless of whether the Contractor successfully does so or not, shall be the sole responsibility of the Contractor in every instance.

In the event of a catastrophic event (i.e., hurricane or a declared state of emergency) directly and substantially affecting the Contractor’s operations on the Contract, the Contractor and the Department shall agree as to the number of calendar days to extend the “No Excuse Bonus” Completion Date. In the event the Contractor and Department are unable to agree to the number of calendar days to extend the “No Excuse Bonus” Completion Date, the Department shall unilaterally determine the number of calendar days to extend the “No Excuse Bonus” Completion Date reasonably necessary and due solely to such catastrophic event and the Contractor shall have no right whatsoever to contest such determination, save and except that the Contractor establishes that the number of calendar days determined by the Department were arbitrary or without any reasonable basis.

The Contractor shall have no rights under the Contract to make any claim arising out of this “No Excuse Bonus” provision except as is expressly set forth in this Article.

As conditions precedent to the Contractor’s entitlement to any “No Excuse Bonus” the Contractor must:

(1) Actually complete the Contract and obtain final acceptance by the Department, as determined by the Engineer in accordance with 5-11, with the sole exception being the conditional acceptance period of movable bridges in accordance with 465-9 on or before the “No Excuse Bonus” Completion Date.

(2) The Contractor shall notify the Department in writing, within 30 days of the final acceptance of the work in the Contract by the Department, that the Contractor elects to be paid the “No Excuse Bonus” which the Contractor is eligible to be paid based on the actual final acceptance date, and such written notice shall constitute a full and complete waiver, release and acknowledgment of satisfaction by the Contractor of any and all claims, causes of action, issues, demands, disputes, matters or controversies, of any nature or kind whatsoever, known or unknown, against the Department, its employees, officers, agents, representatives, consultants, and their respective employees, officers and representatives, the Contractor has or may have as to work performed, work deleted, change orders, supplemental agreements, delays, disruptions, differing site conditions, utility conflicts, design changes or

defects, time extensions, extra work, right of way issues, permitting issues, actions of suppliers or subcontractors or other Contractors, actions by third parties, shop drawing approval process delays, expansion of the physical limits of the project to make it functional, weather, weekends, holidays, suspensions of Contractor's operations, extended or unabsorbed home office or job site overhead, lump sum maintenance of traffic adjustments, lost profits, prime mark-up on subcontractor work, acceleration costs, any and all direct and indirect costs, any other adverse impacts, events, conditions, circumstances or potential damages, on or pertaining to, or as to or arising out of the Contract. This waiver, release and acknowledgment of satisfaction shall be all-inclusive and absolute, save and except any routine Department final estimating quantity adjustments.

Should the Contractor fail to actually complete the Contract and obtain final acceptance by the Department as determined by the Engineer in accordance with 5-11, with the sole exception being the conditional acceptance period of movable bridges in accordance with 465-9 on or before the "No Excuse Bonus" Completion Date, or should the Contractor, having done so, fail to timely request the "No Excuse Bonus" for any reason, and including but not limited to the Contractor choosing not to fully waive, release and acknowledge satisfaction as set forth in (2) above, the Contractor shall have no right to any payment whatsoever under this Article.

In the event the Contractor elects to exercise the "No Excuse Bonus Payment" provision, should this provision conflict with any other provision of the Contract, the Contract shall be interpreted in accordance with this provision.
