

LIMITATIONS OF OPERATIONS.

(REV 2-14-94) (7-00)

SUBARTICLE 8-4.1 (Pages 74 and 75) is expanded by the following:

Perform all work between 8:00 P.M. and 6:00 A.M. Maintenance of traffic activities may begin after 7:00 P.M. and shall be completed before 6:00 A.M. Perform work requiring three lanes of a four lane section to be closed between the hours of 1:00 A.M. and 6:00 A.M. Maintain three lanes of traffic from 7:00 P.M. to 10:00 P.M. Perform no night work until adequate artificial lighting has been provided and approved.

Failure to clear the lanes and restore traffic flow after the designated work periods could result in arrest by law enforcement officers.

SUBARTICLE 8-4.3 (Page 75) is expanded by the following:

Obtain information concerning special events occurring during the life of the Contract. Special events may include but are not limited to concerts, football or baseball games, parades, etc., which will increase traffic volumes on the Interstate during the allowable work times. Perform no work on a holiday, on the day preceding and the day following the holiday, or during the duration of the special event.
