

**580 LANDSCAPE INSTALLATION - PLANTS.
(REV 12-6-99) (FA 12-23-99) (7-00)**

SUBARTICLE 580-2.1.2 (Pages 707 and 708) is deleted and the following substituted:

580-2.1.2 Grade Standards and Conformity with Type and Species: Only use nursery grown plant material purchased from Florida based Nurserymen Stock except where specified as Collected Material. Use nursery grown plant material that complies with all required inspection, grading standards, and plant regulations in accordance with the latest edition of the Florida Department of Agriculture's "Grades and Standards for Nursery Plants".

Except where a lesser grade might be specifically specified in the plans, ensure that the minimum grade for all trees and shrubs is Florida No. 1. Ensure that all plants are the proper size and grade at the time of delivery to the site, throughout the project construction period and during the plant establishment period.

Ensure that plant materials are true to type and species and that any plant materials not specifically covered in Florida Department of Agriculture's "Grades and Standards for Nursery Plants" conform in type and species with the standards and designations in general acceptance by Florida nurseries. Prior to planting, furnish certification to the Engineer that all plant materials have been purchased from Florida based Nurserymen Stock.

Ensure that plant materials are shipped with tags stating the botanical and common name of the plant.
