JEB BUSH  
GOVERNOR

605 Suwannee Street  
Tallahassee, FL 32399-0450

THOMAS F. BARRY, JR.  
SECRETARY

## MEMORANDUM

**DATE:** November 25, 2002

**TO:** Specification Review Distribution List

**COPY TO:** David Chason, State Construction Office

**FROM:** Duane F. Brautigam, P.E., State Specifications Engineer

**SUBJECT:** **Proposed Specifications Change** – D3390007.D01 – Miscellaneous Asphalt Pavement – Method of Measurement

In accordance with Specification Development Procedures, we are sending you a copy of a proposed specification change to Miscellaneous Asphalt Pavement – Method of Measurement.

This change was proposed by David Chason to submit requirement of Certification of Quantities.

Please share this proposal with others within your responsibility. Review comments are due within four weeks and should be sent to Mail Station 75 or to my attention via e-mail at SP965DB or duane.brautigam@dot.state.fl.us. Comments received after December 23, 2002 may not be considered. Your input is encouraged.

**MISCELLANEOUS ASPHALT PAVEMENT – METHOD OF MEASUREMENT.  
(REV 11-4-02)**

ARTICLE 339-7 (of the Supplemental Specifications) is deleted and the following substituted:

**339-7 Method of Measurement.**

The quantity to be paid for will be the weight, in tons [metric tons], determined by an electronic weighing system as described in 320-2.2. The pay quantity will be based on the average spread rate *of the area shown on the plans or authorized by the Engineer* ~~or dimensions for the project~~, limited to a maximum of 105% of the plan ~~thickness-quantity~~. For calculation, a weight of 100 lbs/yd<sup>2</sup> per inch [22 kg/m<sup>2</sup> per 10 mm] thickness of asphalt will be used.

*Prepare a Certification of Quantities, using the Department's current approved form, for the certified miscellaneous asphalt pavement pay item. Submit this certification to the Engineer no later than Twelve O'clock noon Monday after the estimate cut-off or as directed by the Engineer, based on the quantity of asphalt produced and accepted on the Contract. The certification must include the Contract Number, FPID Number, Certification Number, Certification Date, period represented by Certification and the tons [metric tons] produced for each asphalt pay item.*
