Problem statement: There is no uniformity in the pay item structure for pavement marking.

Information source: Pay Item structure was coordinated with C-Team members.

Background data: The new pay item structure was added with the revision to Section 711 in the July 2006 workbook. This workbook also deleted two of the pavement markings which left only Section 709 and 710 to be revised.

Recommended Usage Note: 711 Items

Expected fiscal impact, if implemented: No fiscal impact expected with this change.

Implementation of these changes, if and when approved, will begin with the January 2007 letting.
