

EXAMINATION OF CONTRACT DOCUMENTS AND SITE OF WORK.
(REV 2-7-08) (FA 2-13-08) (7-08)

ARTICLE 2-4 (Page 12) is deleted and the following substituted:

2-4 Examination of Contract Documents and Site of Work.

Examine the Contract Documents and the site of the proposed work carefully before submitting a proposal for the work contemplated. Investigate the conditions to be encountered, as to the character, quality, and quantities of work to be performed and materials to be furnished and as to the requirements of all Contract Documents.

Direct all questions to the Department by posting them to the Department's website at the following URL address:
www2.dot.state.fl.us/construction/bidquestionmain.asp . Questions posted to this site before 5:00 P.M. (EST) on the seventh calendar day prior to the bid opening will be responded to by the Department. For questions posted after this time, an answer cannot be assured. For all questions posted before the deadline, the Department will provide and post responses at the same website. Take responsibility to review and be familiar with all questions and responses posted to this website up through 2 business days prior to the bid opening and to make any necessary adjustments in the proposal accordingly. If the Department's web site cannot be accessed, contact

_____ at _____.

When, in the sole judgment of the Department, responses to questions require plans revisions, specifications revisions and/or addenda, the Contracts Office will issue them as necessary.

The Department does not guarantee the details pertaining to borings, as shown on the plans, to be more than a general indication of the materials likely to be found adjacent to holes bored at the site of the work, approximately at the locations indicated. The Contractor shall examine boring data, where available, and make his own interpretation of the subsoil investigations and other preliminary data, and shall base his bid on his own opinion of the conditions likely to be encountered.

The bidder's submission of a proposal is prima facie evidence that the bidder has made an examination as described in this Article.
